beautiful. successful. strong

The Oakland/Bay Area Chapter of the National Coalition of 100 Black Women invites you to join our signature mentoring program —Positive Steps. Positive Steps is a mentoring program for young ladies that focuses on personal growth and development, cultural enrichment, and social development. Positive Steps affords teens, ages 12-17, an opportunity to further recognize their potential for success. Positive Steppers take an active role in a variety of NCBW events and they are recognized for achievement during the annual Madam C.J. Walker Business and Professional Women's Luncheon. Participants receive graduation and participation awards, and an opportunity to receive one of the Coalition's Annual Scholarships.
